

COLLIN DUEL'S CLOSED-DOOR PAY RAISE

★ He killed transparency bills and blocked a public vote. ★

While Oklahomans struggle under taxes and inflation, politicians are getting another big raise — pushed forward after closed-door meetings the public could not see.

- 1 Oklahoma already has one of the highest-paid part-time legislatures in the nation.
- 2 After repeated meetings, the Legislative Compensation Board finally met behind closed doors — away from the public and press — before approving another big pay raise for legislators.
- 3 Rep. Molly Jenkins said the closed meeting violated the Oklahoma Open Meeting Act and filed HB 3093 to stop this abuse from happening again.
- 4 Collin Duel single-handedly killed HB 3093, preventing a public vote and protecting closed pay-raise meetings from accountability.
- 5 Earlier this year, Duel also killed HB 2940, a bill that would protect the people's right to record government meetings from their seat.

PACs, lobbyists, special interests, and out-of-district donors make up nearly all of Collin Duel's almost \$100,000 in itemized disclosed contributions since he took office in November 2022. And secretive dark-money groups have poured in thousands more.

There is only one real answer to the problem of the politicians betraying us and making a bigger government:

KARMIN WILL NEVER TAKE FROM THE LOBBYISTS.

★
No PAC pressure. No lobbyist strings.
No reason to betray our conservative values.

2 RUBBER-STAMP YES VOTES

Since 2023, as of March 27, 2026, Collin Duel voted
YES 3,222 times and NO just 188 times —
meaning he voted yes 94.5% of the time
when he actually cast a vote.

NO votes:

Many of these bills are requested by the lobbyists. And many are new fees, new spending, new laws, new government bureaucracies and massive, multi-million dollar taxpayer-funded giveaways.

If your family said yes every time someone asked to spend your money, you'd go broke fast.

Yet Duel says yes with your tax dollars

HERE'S WHY GOVERNMENT ALWAYS GETS BIGGER

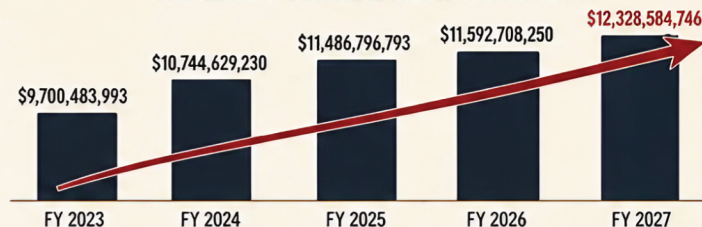

- 1 The lobbyist PACs pay to fill your mailboxes.
- 2 Their politician gets re-elected.
- 3 Government always gets bigger, no matter which party is in charge.

...KARMIN GRIDER WILL BREAK THIS CYCLE.

Former HD31 Rep. Jason Murphey audited the 93 worst House votes of 2025. Collin Duel sided with our values just 10 times. Murphey believes this is because of the lobbyists' influence: oklahomastatecapital.com/sl/pa2025
